## 9<sup>TH</sup> SESSION OF THE CONFERENCE OF STATES PARTIES TO THE CRPD JUNE 14<sup>TH</sup> - 16<sup>TH</sup> 2016, NEW YORK, USA

A delegation representing the Australian Cross Disability Alliance (ACDA) will attend the 9th Session of the Conference of States Parties (COSP) to the Convention on the Rights of Persons with Disabilities (CRPD). COSP runs from 14th to 16th June 2016 and will be held at the United Nations Headquarters in New York. Significantly, 2016 will mark ten years since the United Nations' adoption of the CRPD.

The annual conference invites delegates from signatories to the UN CRPD and representatives from civil society organisations and Governments around the world to discuss implementation of the CRPD and related international development issues. The overall theme for the conference is "Implementing the 2030 development agenda for all persons with disabilities: Leaving no one behind". Thematic discussions and side events will address the four subthemes:

1. Eliminating poverty and inequality for all persons with disabilities
2. Promoting the rights of persons with mental and intellectual disabilities
3. Enhancing accessibility to information and technology and inclusive development
4. Celebrating the 10th anniversary of the adoption of the CRPD

Women With Disabilities Australia (WWDA) has been invited by UNFPA to officially co-host the formal UNFPA Launch Event.

## ACDA DELEGATION

The ACDA will be represented at COSP CRPD by eleven delegates. The delegation represents a diverse cross-section of people with disability and representation from the four founding ACDA organisations. Consistent with the thematic focus of COSP this year, the delegation includes strong representation of Aboriginal persons with disability; women with disability; young people with disability, people with specific lived experience and knowledge relating to accessibility of information and technology; and people with significant expertise in the 2030 development agenda. Critically, the ACDA delegation models people with disability as the key interlocutors in the implementation and monitoring of the CRPD. The ACDA thanks the Australian Human Rights Commission for providing financial assistance for ACDA delegates to attend COSP CRPD.
